

FISHERMAN'S COVE & HALIFAX

OPEN TOP TOURS

provides tourists with a unique and intimate experience of enjoying the natural beauty of Nova Scotia in a 4x4 Jeep

The Fisherman's Cove and Halifax ...

There is so much to do in the Halifax area ... yet your time is short and you want to see it all ? This tour features a drive from Halifax to Fisherman's Cove and a return to Halifax. You will travel in your Open Top Jeep and have the chance to visit local shops and museums and get a feel for historical life in rural Nova Scotia.

Our route out of Halifax takes you along the waterfront area where you will see various sites including the Marketplace, Canadian Naval Ships, Ship Yards and more. Travel over one of the two bridges connecting Halifax to Dartmouth. Enjoy the beautiful sites of Halifax and from high above.

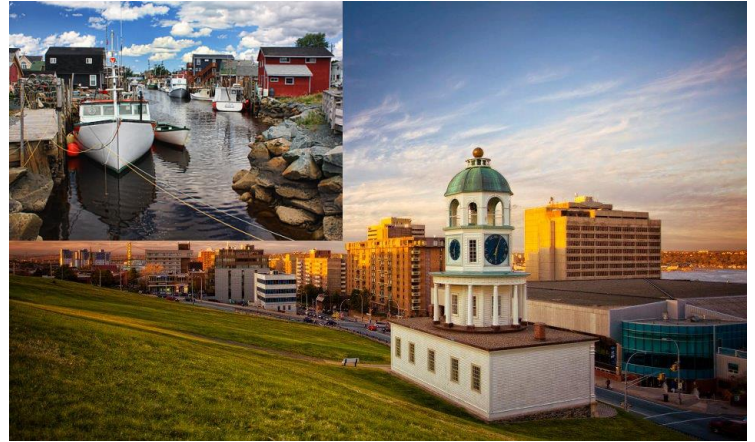

Crossing the bridge to Dartmouth we will travel to Fisherman's Cove in Eastern Passage. Fisherman's Cove is both frozen in time and constantly evolving. Nestled in a centuries old fishing community, it is also home to a unique collection of gift shops, museums and art galleries, coffee, bake shops and more. We will travel from here to a couple local viewing spots with beautiful views along the way.

Then sit back, relax and enjoy the scenery as we make our way back. We will cross back over the bridge and drive through Halifax seeing local sites including the Titanic Grave Site and St Paul's Anglican Church (one of Halifax's haunted landmarks). Lastly, we will travel up Citadel Hill and see the famous Clock Tower and then return you safely to your drop off destination.

Driver may adjust your route and stops depending on time constraints, weather, and client's wishes.

Gratuities are not included and are appreciated
